Please Note

General Conditions

1. VIKSAT reserves the right to accept or reject any application.
2. As the seats are limited, participation is subject to confirmation by VIKSAT.
3. The participant should be physically and medically fit to participate in the training.
4. Participants should obtain the necessary nomination from their respective organisation, with signature and seal in the prescribed form.
5. The programme schedule and activities are subject to change without prior notice.
6. Participants are required to attend all the sessions of the training programme.
7. Participants should book their travel tickets only after receiving confirmation of participation from VIKSAT.
8. Application form should reach VIKSAT before the application deadline.
9. For eligibility to apply, please refer to the programme brochure.

Logistics

1. Since this training programme is sponsored by National Council for Science & Technology Communication (NCSTC), Department of Science & Technology (DST), Govt. of India, there is no participation fees. However, participants are required to bear the cost of their travel to and from Ahmedabad.
2. Local participants will have to reach VIKSAT on their own.
3. Outstation participants should plan their travel in such a way that they reach Ahmedabad on previous day of the training and depart after 6:00 pm on the last day of training or by next day morning.
4. Accommodation to outstation participants will be provided from the evening of previous day till morning of the next day of the training. Beyond this limit, the participants will have to make their arrangement at their own expense.
5. Accommodation will be provided to outstation participants on sharing basis, with basic minimum facilities.
6. Simple vegetarian food including breakfast, tea-coffee, working lunch and dinner will be provided during training days.

For more details or clarifications please write to us on: viksat.wet@gmail.com
or contact Ms. Vandana Pandya at VIKSAT, Ahmedabad.

Last date for receipt of duly filled registration form: 20th June 2015
